

VACATION PLANNER!

DESTINATION:

Each person in our family will have a chance to design one activity for us to do on vacation!

Use this planner to help think-through the activity you want us to do and to help Mom/Dad understand how we can make it happen.

You will each get a chance to share your activity so we can all get excited!

RULES:

- The activity must be unique to where we're going
- It must be possible for us all to participate
- All family members must support the activity of the others
- Budget:

DESCRIBE THE ACTIVITY:

Tell us the name of the activity, what we would do and why it would be fun. You can write words or draw.

DETAILS:

What is the name of the company or the where we would do the activity?

Include the address and location.

Are there any special things we need? (swim-suit, goggles, etc.)

COST:

What is the cost of the activity?

Include the individual cost (for one person) and the total cost for our whole family (3 children and 2 adults)

Show your math!

TIMING:

When is the best time in the vacation to do this activity? Is there certain weather this activity needs? Time of day?
